☐ Abstract Description of Poster:
Please attach to this application an abstract description of your poster (no more than 800 words).

Submission Categories (Please select only one):

- ☐ **Proposed Clinical Project:** Posters in this category are proposed clinical research or quality improvement projects that present preliminary data and/or findings and suggest future inquiry.
- ☐ **Ongoing Clinical Project:** Posters in this category are based on ongoing performance or quality improvement projects, where adaptations are still taking place in order to develop the best clinical outcomes.
- ☐ **Completed Clinical Project:** Posters in this category are completed clinical quality improvement projects from all health care disciplines.
- ☐ **Knowledge Enhancement:** Posters in this category are educational in nature and present existing literature on a current topic of interest.
- ☐ **Case Presentation:** Posters in this category are related to patient case presentations on a medical treatment topic.
- ☐ **Clinical Research:** Posters in this category focus on current health care-related scientific research commonly done at the doctoral level.
- ☐ **Health Czare Professions Student:** This category is only for students currently enrolled in BS, BA or AD degree programs. Students in advanced degree programs such as MSN, MHA, DNP, etc. should utilize one of the other categories.

DEADLINE for abstract submission is June 18 – Email completed form to posterapplication@umcsn.com
