**UNIVERSITY MEDICAL CENTER OF SOUTHERN NEVADA (UMC)
PHYSICIAN AND NON-PHYSICIAN PROVIDER TRADITIONAL COMPENSATION AND
BENEFITS PLAN (Compensation Plan)**

Classifications

This Compensation Plan identifies the compensation and benefits structure for Physician and Non-Physician provider employees in the following classifications:

• Medical Director, Anesthesiologist	• Medical/Program Director, Radiologist
• Anesthesiologist - Obstetric, General/OR, Pediatric, CVT, Trauma	• Certified Registered Nurse Anesthetists (CRNA)
• Radiologist – Diagnostic, Interventional, Neurointerventional	• Radiology APP
• Medical Director, General Medicine Hospitalist • General Medicine Hospitalist	• Hospitalist APP
• Medical Director, Emergency Physician • Emergency Physician	¹ Core Faculty & Faculty

¹ *Residency Programs administered exclusively by UMC may have physicians within the above applicable classifications who are designated as Core Faculty & Faculty*

Such employees will be referred to as "employee" or "employees" in this document. This document replaces all previous communications regarding Physician and Mid-Level compensation and benefits under an existing compensation model or an employee's offer of employment letter; provided, however, the terms and conditions of the employee's at-will employment agreement, if any, shall control in the event of a conflict between the two documents.

University Medical Center retains the rights to add, modify, or eliminate any compensation or benefit contained within this plan document with the final approval of the UMC Governing Board and/or in accordance with the terms and conditions of the employee's contract for employment.

Fair Labor Standards Act (FLSA) Exemption

Employees covered by this plan document are not authorized overtime compensation under the FLSA due to their professional exemption.

At-Will Employment

All employees covered by this plan document are considered At-Will and will serve at the pleasure of the Chief Executive Officer.

Voluntary Resignation

All employees covered by this plan document are encouraged to provide a minimum of sixty (60) days' notice of a voluntary resignation.

Compensation and Benefits

Compensation

During the term of employment, Physicians and Non-Physician Providers shall be eligible for a compensation package at a rate consistent with the pay ranges listed in the Appendices, as may be amended from time to time. The Appendices further set forth a compensation package that will not exceed the 75th percentile (or 90th percentile when factors such as shortages or otherwise hard-to-fill positions justify) based upon national and regional physician and midlevel compensation survey benchmarks (e.g., Sullivan Cotter, MGMA).

Unless modified by the provisions of this Compensation Plan and/or at-will employment agreement, employees will be granted the same benefits provided through the Human Resources Policies and Procedures.

The employee's base salary shall be re-evaluated biannually (i.e., every other year), consistent with the methodology set forth above.

The CEO (or designee) may authorize bonuses (e.g., sign-on, relocation, etc.), subject to existing UMC Human Resources Policies and Procedures and provided they are consistent with fair market value.

Work Schedules

All full & part-time Physicians and Non-Physician Providers are salaried, exempt employees, while per-diem are hourly, non-exempt employees. Work schedules are determined based on a designated Full Time Equivalent (FTE) status. Employees designated as less than a 1.0 FTE are eligible for salary and benefits prorated based on FTE status. Employees are expected to be available to work their full, designated FTE status. Employees working 10-hour shifts under this compensation plan are expected to work a minimum of 130 additional hours through administrative/teaching time to be considered a full 1.0 FTE. Employees who are unable to meet the additional hourly requirement will be considered 0.9 FTE.

Unless otherwise set forth on the applicable service line Appendix, Employee's work schedules will be set by the Practice Plan Administrator or designee or as set forth in any at-will employment agreement or signed offer letter. Except as otherwise set forth herein, it is anticipated that full-time employees will work a minimum of fifteen (15) shifts per month, while part-time employees will work a minimum of seven (7) shifts per month. Notwithstanding the minimum shift requirement, it is understood that, based on the length of a calendar month, and service line specific scheduling requirements, the fifteen (15) shift requirement is an approximate amount and may be spread over a two-month period (or as much as five (5) pay periods) and the same will not violate the requirements under this section.

Extra Shift/Hours Compensation

In the event an employee works in excess of their regular and on-call shifts, they shall be entitled to the additional shift compensation set forth in the Appendices. Additionally, in the event an employee is required to stay over a scheduled shift more than two (2) hours, the employee will receive additional hourly compensation consistent with their regular hourly rate of compensation for hours above and beyond the scheduled shifts. **Example:** Employee works 12.5 hours in a 10-hour scheduled shift will entitle such employee to two and one-half hours of additional pay at the next regularly scheduled pay period.

With the exception of per-diem status employees, any excess time less than the two hours over the scheduled shift does not entitle the employee to any additional hourly compensation.

On-Call Coverage

Physicians and Non-Physician Providers, who provide on-call coverage, may receive additional shift compensation at the rates set forth in the Appendices, for on-call coverage over and above a pre-determined amount, as set forth by the Medical Director, or in the employee's offer of employment letter or At-Will contract for employment. An employee on unrestricted call, who is called to return to the facility to perform work, will receive callback pay consistent with the rates set forth in the Appendices.

Annual Evaluations

Employee performance will be evaluated on an annual basis. The annual evaluation cycle shall be based on the fiscal year (July 1 - June 30). All Compensation Plan employees shall have a common review date of September 1st unless otherwise established by the CEO. Employees under this Compensation Plan are not subject to merit or cost-of-living increases, as their compensation is subject to bi-annual (i.e., every other year) fair market value reviews consistent with the terms of this Compensation Plan and any applicable employment agreement.

Consolidated Annual Leave (CAL) / Administrative Leave Days (ALDs)

The Chief Executive Officer (or designee) shall determine if a Physician Provider classification covered by this Compensation & Benefits Plan will:

1. Accrue CAL in accordance with the hospital's standard human resources policies & procedures; or,
2. Participate in the ALD program as defined below.

Physicians

Physician Providers in a classification designated to participate in the ALD program will not accrue CAL as set forth in the hospital's Human Resources Policies and Procedures. Instead, each part-time or full-time Physician Provider under this Compensation Plan designated as such shall receive Administrative Leave Days (ALDs). Appropriate use of ALDs includes sick days, and leave of absence. ALDs do not roll over year to year, may not be converted to compensation, transferred to other ineligible classifications or statuses, nor are they paid out upon separation of employment. Requests to use ALDs shall be submitted to the Medical Director (or designee) over the service line. ALDs will be awarded on a pro-rated basis upon the first year of hire. Thereafter, the employee will receive their allotment of ALDs each January 1st. Eligible employees under this Compensation Plan will receive ALDs as follows:

Employment Status*	# Regularly scheduled shifts per month	# of ALDs
Part-Time	Up to 14	7
	15-19	15
Full-Time	Up to 19	15
	20+	30

*An Employee's employment status is determined by UMC Human Resources and is set forth in the applicable offer letter/contract of employment.

An employee's time off may differ in accordance with their at-will employment agreement. Physicians accruing CAL upon final approval and implementation of this September 1, 2023 Compensation Plan will retain any accrued CAL time and will be required to exhaust such time prior to the use of any ALDs. CAL accrued prior to the implementation of this September 1, 2023 Compensation Plan may not be converted to compensation, nor is it paid out upon separation of employment.

Non-Physician Providers

Full & part-time Non-Physician Providers (e.g., CRNAs) under this Compensation Plan will continue to accrue and use CAL consistent with the hospital's Human Resources Policies and Procedures.

Extended Illness Bank (EIB)

Eligible employees under this Compensation Plan will accrue Extended Illness Bank (EIN) as set forth in hospital's Human Resources Policies and Procedures. The rules governing the use of EIB leave time shall be consistent with those set forth by Human Resource Policies and Procedures.

Miscellaneous Leaves

Miscellaneous Leaves, such as jury/court duty, military leave, bereavement leave, family leave, etc., are administered in accordance with Human Resources Policies and Procedures.

Group Insurance

UMC provides medical, dental, and life insurance to all eligible employees covered by this plan. To be eligible for group insurance, an employee must occupy a regular budgeted position and work the required hours to meet the necessary qualifying periods associated with the insurance program.

Employees will have deducted each pay period an approved amount from their compensation for employee insurance, or other elected coverages. Amounts are determined by UMC and approved by the UMC Governing Board. Rules governing the application and administration of insurance benefits shall be consistent with those set forth by Human Resource Policies and Procedures.

Retirement

Employees are covered by the Nevada Public Employees Retirement System. UMC pays the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286. Any increases in the percentage rate of the retirement contribution above the rate set forth in NRS 286.421 on May 19, 1975, shall be borne equally by UMC and the employee in the manner provided by NRS 286.421. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. Retirement contribution does not include any payment for the purchase of previous credit service on behalf of any employee.

Continuing Medical Education (CME)

CME Stipend Program

UMC will pay a \$2,500 CME stipend (Stipend), less appropriate withholdings, each calendar year in January, for a qualified employee upon the employee's execution of UMC's CME Stipend Attestation form. The Stipend is available to a UMC-employed licensed independent provider, including, but not limited to, a physician, nurse practitioner, physician assistant, CRNA, and dentist. At its sole discretion, UMC may identify other independent providers that qualify for the Stipend. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership.

Physician Core Faculty & Faculty

Employed UMC Physicians who are designated as Core Faculty or Faculty in a UMC residency program are eligible to participate in the CME reimbursement program (Reimbursement). Eligible employees will receive reimbursement of up to \$5,000, less appropriate withholdings, on a calendar-year basis, for eligible CME-related costs. Eligible employees must sign the UMC CME Reimbursement Attestation form. At its sole discretion, UMC may identify other independent providers that qualify for the Reimbursement program. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership. Physicians under the Reimbursement plan are not eligible to participate in the CME stipend plan above.

Regardless of the CME program, all training, travel, and lodging must be pre-approved by the Chief Operating Officer, Medical Director, and such other person(s) as may be required by the COO and Medical Director pursuant to the hospital's training and travel policy. If an employee is on leave of absence, or FMLA, the employee is not eligible to take CME release time.

Conflict of Interest:

Physicians are expected to comply with applicable Medicare and Medicaid and other applicable federal, state, and/or local laws and regulations, as well as hospital policies and procedures and Medical and Dental Staff Bylaws. In so doing, it is emphasized that each employee must refrain from using his/her position as a UMC employee to secure personal gain and/or endorse any particular product or service. This includes seeking or accepting additional employment or ownership in a business outside UMC that represents a conflict of interest as defined in the Ethical Standards Policy.

The referral of patients to individuals or practices which compete with or do not support UMC is considered a conflict of interest. However, it is understood that patients have the right to choose where to be referred upon full disclosure by the attending physician of all relevant information. All referrals must go through the UMC Referral Office (or designated office) where they will be processed accordingly.

All other provisions of the conflict of interest policy shall be as defined and described in the Human Resources Policy and Procedures Manual titled Ethical Standards and the UMC Medical and Dental Staff Bylaws.

Professional Standards:

Quality and safe patient care and the highest professional standards are the major goals of UMC and its facilities. To that end, UMC agrees to make every reasonable effort to provide a work environment that is conducive to allowing employees to maintain a professional standard of quality, safe patient care, and patient confidentiality. Employees shall be required to conduct themselves in a professional manner at all times.

UMC is a teaching facility. To that extent, physician employees may be required to supervise or co-sign medical records for mid-level providers or residents who are in a recognized residency program, such as the UNLV School of Medicine Residency Program.

UMC shall provide interpretive services in designated exam rooms. Physician employees are required to use the interpretive services provided through UMC.

No Physician employee shall unreasonably and without good cause fail to provide care to patients. Any patient complaint received in writing shall be administered pursuant to UMC Administrative Policy, as modified from time to time. The employee shall be required to meet with the Patient Advocate and/or the Medical Director so that a response, if any, may be prepared. The affected employee shall receive a copy of any written response. If any discipline is administered, just cause standards and the appropriate sections of the Human Resources Policies and Procedures Manual shall apply.

All Physicians will follow the UMC Code of Conduct for Corporate Compliance. This includes completing a Medicare Enrollment Application – Reassignment of Medicare Benefits (CMS-855R) form.

UMC is an equal opportunity employer and will not tolerate discrimination on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity or expression, and/or genetic information in employment. In accordance with state and federal laws, the UMC Governing Board is committed to an Equal Opportunity, Affirmative Action and Sexual Harassment Policy to prohibit unlawful discrimination.

Pursuant to Nevada Revised Statutes Chapter 41, UMC will indemnify an employee whose acts or omissions are within the course and scope of their employment and will thereafter continue to cover (without cost to the employee) the employee under the hospital's self-funded insurance policy. As such, each employee is covered for professional liability and general liability purposes, in accordance with Chapter 41 of the Nevada Revised Statutes, by the certificate of insurance and statement of indemnification.

¹ Residency Programs administered exclusively by UMC may have physicians within the above applicable classifications who are designated as Core Faculty & Faculty

Such employees will be referred to as "employee" or "employees" in this document. This document replaces all previous communications regarding Physician and Mid-Level compensation and benefits under an existing compensation model or an employee's offer of employment letter; provided, however, the terms and conditions of the employee's at-will employment agreement, if any, shall control in the event of a conflict between the two documents.

University Medical Center retains the rights to add, modify, or eliminate any compensation or benefit contained within this plan document with the final approval of the UMC Governing Board and/or in accordance with the terms and conditions of the employee's contract for employment.

Fair Labor Standards Act (FLSA) Exemption

Employees covered by this plan document are not authorized overtime compensation under the FLSA due to their professional exemption.

At-Will Employment

All employees covered by this plan document are considered At-Will and will serve at the pleasure of the Chief Executive Officer.

Voluntary Resignation

All employees covered by this plan document are encouraged to provide a minimum of sixty (60) days' notice of a voluntary resignation.

Compensation and Benefits

Compensation

During the term of employment, Physicians and Non-Physician Providers shall be eligible for a compensation package at a rate consistent with the pay ranges listed in the Appendices, as may be amended from time to time. The Appendices further set forth a compensation package that will not exceed the 75th percentile (or 90th percentile when factors such as shortages or otherwise hard-to-fill positions justify) based upon national and regional physician and midlevel compensation survey benchmarks (e.g., Sullivan Cotter, MGMA).

Unless modified by the provisions of this Compensation Plan and/or at-will employment agreement, employees will be granted the same benefits provided through the Human Resources Policies and Procedures.

The employee's base salary shall be re-evaluated biannually (i.e., every other year), consistent with the methodology set forth above.

The CEO (or designee) may authorize bonuses (e.g., sign-on, relocation, etc.), subject to existing UMC Human Resources Policies and Procedures and provided they are consistent with fair market value.

Work Schedules

All full & part-time Physicians and Non-Physician Providers are salaried, exempt employees, while per-diem are hourly, non-exempt employees. Work schedules are determined based on a designated Full Time Equivalent (FTE) status. Employees designated as less than a 1.0 FTE are eligible for salary and benefits prorated based on FTE status. Employees are expected to be available to work their full, designated FTE status. Employees working 10-hour shifts under this compensation plan are expected to work a minimum of 130 additional hours through administrative/teaching time to be considered a full 1.0 FTE. Employees who are unable to meet the additional hourly requirement will be considered 0.9 FTE.

Unless otherwise set forth on the applicable service line Appendix, Employee's work schedules will be set by the Practice Plan Administrator or designee or as set forth in any at-will employment agreement or signed offer letter. Except as otherwise set forth herein, it is anticipated that full-time employees will work a minimum of fifteen (15) shifts per month, while part-time employees will work a minimum of seven (7) shifts per month. Notwithstanding the minimum shift requirement, it is understood that, based on the length of a calendar month, and service line specific scheduling requirements, the fifteen (15) shift requirement is an approximate amount and may be spread over a two-month period (or as much as five (5) pay periods) and the same will not violate the requirements under this section.

Extra Shift/Hours Compensation

In the event an employee works in excess of their regular and on-call shifts, they shall be entitled to the additional shift compensation set forth in the Appendices. Additionally, in the event an employee is required to stay over a scheduled shift more than two (2) hours, the employee will receive additional hourly compensation consistent with their regular hourly rate of compensation for hours above and beyond the scheduled shifts. **Example:** Employee works 12.5 hours in a 10-hour scheduled shift will entitle such employee to two and one-half hours of additional pay at the next regularly scheduled pay period.

With the exception of per-diem status employees, any excess time less than the two hours over the scheduled shift does not entitle the employee to any additional hourly compensation.

On-Call Coverage

Physicians and Non-Physician Providers, who provide on-call coverage, may receive additional shift compensation at the rates set forth in the Appendices, for on-call coverage over and above a pre-determined amount, as set forth by the Medical Director, or in the employee's offer of employment letter or At-Will contract for employment. An employee on unrestricted call, who is called to return to the facility to perform work, will receive callback pay consistent with the rates set forth in the Appendices.

Annual Evaluations

Employee performance will be evaluated on an annual basis. The annual evaluation cycle shall be based on the fiscal year (July 1 - June 30). All Compensation Plan employees shall have a common review date of September 1st unless otherwise established by the CEO. Employees under this Compensation Plan are not subject to merit or cost-of-living increases, as their compensation is subject to bi-annual (i.e., every other year) fair market value reviews consistent with the terms of this Compensation Plan and any applicable employment agreement.

Consolidated Annual Leave (CAL) / Administrative Leave Days (ALDs)

The Chief Executive Officer (or designee) shall determine if a Physician Provider classification covered by this Compensation & Benefits Plan will:

1. Accrue CAL in accordance with the hospital's standard human resources policies & procedures; or,
2. Participate in the ALD program as defined below.

Physicians

Physician Providers in a classification designated to participate in the ALD program will not accrue CAL as set forth in the hospital's Human Resources Policies and Procedures. Instead, each part-time or full-time Physician Provider under this Compensation Plan designated as such shall receive Administrative Leave Days (ALDs). Appropriate use of ALDs includes sick days, and leave of absence. ALDs do not roll over year to year, may not be converted to compensation, transferred to other ineligible classifications or statuses, nor are they paid out upon separation of employment. Requests to use ALDs shall be submitted to the Medical Director (or designee) over the service line. ALDs will be awarded on a pro-rated basis upon the first year of hire. Thereafter, the employee will receive their allotment of ALDs each January 1st. Eligible employees under this Compensation Plan will receive ALDs as follows:

Employment Status*	# Regularly scheduled shifts per month	# of ALDs
Part-Time	Up to 14	7
	15-19	15
Full-Time	Up to 19	15
	20+	30

*An Employee's employment status is determined by UMC Human Resources and is set forth in the applicable offer letter/contract of employment.

An employee's time off may differ in accordance with their at-will employment agreement. Physicians accruing CAL upon final approval and implementation of this September 1, 2023 Compensation Plan will retain any accrued CAL time and will be required to exhaust such time prior to the use of any ALDs. CAL accrued prior to the implementation of this September 1, 2023 Compensation Plan may not be converted to compensation, nor is it paid out upon separation of employment.

Non-Physician Providers

Full & part-time Non-Physician Providers (e.g., CRNAs) under this Compensation Plan will continue to accrue and use CAL consistent with the hospital's Human Resources Policies and Procedures.

Extended Illness Bank (EIB)

Eligible employees under this Compensation Plan will accrue Extended Illness Bank (EIN) as set forth in hospital's Human Resources Policies and Procedures. The rules governing the use of EIB leave time shall be consistent with those set forth by Human Resource Policies and Procedures.

Miscellaneous Leaves

Miscellaneous Leaves, such as jury/court duty, military leave, bereavement leave, family leave, etc., are administered in accordance with Human Resources Policies and Procedures.

Group Insurance

UMC provides medical, dental, and life insurance to all eligible employees covered by this plan. To be eligible for group insurance, an employee must occupy a regular budgeted position and work the required hours to meet the necessary qualifying periods associated with the insurance program.

Employees will have deducted each pay period an approved amount from their compensation for employee insurance, or other elected coverages. Amounts are determined by UMC and approved by the UMC Governing Board. Rules governing the application and administration of insurance benefits shall be consistent with those set forth by Human Resource Policies and Procedures.

Retirement

Employees are covered by the Nevada Public Employees Retirement System. UMC pays the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286. Any increases in the percentage rate of the retirement contribution above the rate set forth in NRS 286.421 on May 19, 1975, shall be borne equally by UMC and the employee in the manner provided by NRS 286.421. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. Retirement contribution does not include any payment for the purchase of previous credit service on behalf of any employee.

Continuing Medical Education (CME)

CME Stipend Program

UMC will pay a \$2,500 CME stipend (Stipend), less appropriate withholdings, each calendar year in January, for a qualified employee upon the employee's execution of UMC's CME Stipend Attestation form. The Stipend is available to a UMC-employed licensed independent provider, including, but not limited to, a physician, nurse practitioner, physician assistant, CRNA, and dentist. At its sole discretion, UMC may identify other independent providers that qualify for the Stipend. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership.

Physician Core Faculty & Faculty

Employed UMC Physicians who are designated as Core Faculty or Faculty in a UMC residency program are eligible to participate in the CME reimbursement program (Reimbursement). Eligible employees will receive reimbursement of up to \$5,000, less appropriate withholdings, on a calendar-year basis, for eligible CME-related costs. Eligible employees must sign the UMC CME Reimbursement Attestation form. At its sole discretion, UMC may identify other independent providers that qualify for the Reimbursement program. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership. Physicians under the Reimbursement plan are not eligible to participate in the CME stipend plan above.

Regardless of the CME program, all training, travel, and lodging must be pre-approved by the Chief Operating Officer, Medical Director, and such other person(s) as may be required by the COO and Medical Director pursuant to the hospital's training and travel policy. If an employee is on leave of absence, or FMLA, the employee is not eligible to take CME release time.

Conflict of Interest:

Physicians are expected to comply with applicable Medicare and Medicaid and other applicable federal, state, and/or local laws and regulations, as well as hospital policies and procedures and Medical and Dental Staff Bylaws. In so doing, it is emphasized that each employee must refrain from using his/her position as a UMC employee to secure personal gain and/or endorse any particular product or service. This includes seeking or accepting additional employment or ownership in a business outside UMC that represents a conflict of interest as defined in the Ethical Standards Policy.

The referral of patients to individuals or practices which compete with or do not support UMC is considered a conflict of interest. However, it is understood that patients have the right to choose where to be referred upon full disclosure by the attending physician of all relevant information. All referrals must go through the UMC Referral Office (or designated office) where they will be processed accordingly.

All other provisions of the conflict of interest policy shall be as defined and described in the Human Resources Policy and Procedures Manual titled Ethical Standards and the UMC Medical and Dental Staff Bylaws.

Professional Standards:

Quality and safe patient care and the highest professional standards are the major goals of UMC and its facilities. To that end, UMC agrees to make every reasonable effort to provide a work environment that is conducive to allowing employees to maintain a professional standard of quality, safe patient care, and patient confidentiality. Employees shall be required to conduct themselves in a professional manner at all times.

UMC is a teaching facility. To that extent, physician employees may be required to supervise or co-sign medical records for mid-level providers or residents who are in a recognized residency program, such as the UNLV School of Medicine Residency Program.

UMC shall provide interpretive services in designated exam rooms. Physician employees are required to use the interpretive services provided through UMC.

No Physician employee shall unreasonably and without good cause fail to provide care to patients. Any patient complaint received in writing shall be administered pursuant to UMC Administrative Policy, as modified from time to time. The employee shall be required to meet with the Patient Advocate and/or the Medical Director so that a response, if any, may be prepared. The affected employee shall receive a copy of any written response. If any discipline is administered, just cause standards and the appropriate sections of the Human Resources Policies and Procedures Manual shall apply.

All Physicians will follow the UMC Code of Conduct for Corporate Compliance. This includes completing a Medicare Enrollment Application – Reassignment of Medicare Benefits (CMS-855R) form.

UMC is an equal opportunity employer and will not tolerate discrimination on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity or expression, and/or genetic information in employment. In accordance with state and federal laws, the UMC Governing Board is committed to an Equal Opportunity, Affirmative Action and Sexual Harassment Policy to prohibit unlawful discrimination.

Pursuant to Nevada Revised Statutes Chapter 41, UMC will indemnify an employee whose acts or omissions are within the course and scope of their employment and will thereafter continue to cover (without cost to the employee) the employee under the hospital's self-funded insurance policy. As such, each employee is covered for professional liability and general liability purposes, in accordance with Chapter 41 of the Nevada Revised Statutes, by the certificate of insurance and statement of indemnification.

Such employees will be referred to as "employee" or "employees" in this document. This document replaces all previous communications regarding Physician and Non-Physician compensation and benefits under a productivity compensation model; provided, however, the terms and conditions of the employees' at-will physician employment agreement shall control in the event of a conflict between the two documents.

University Medical Center retains the rights to add, modify, or eliminate any compensation or benefit contained within this plan document with the final approval of the UMC Governing Board and/or in accordance with the terms and conditions of the employee's contract for employment.

Fair Labor Standards Act (FLSA) Exemption:

Employees covered by this plan document are not authorized overtime compensation under the FLSA due to their professional exemption.

At-Will Employment

All employees covered by this plan document are considered At-Will and will serve at the pleasure of the Chief Executive Officer.

Compensation and Benefits:

Base Salary: During the term of employment, Physicians and Non-Physician Providers shall receive a base salary at a rate consistent with the pay grades listed on Appendix 1, as may be amended from time to time. These pay grades have been assigned an Annual wRVU Threshold and a wRVU compensation rate, listed therein, which have been determined through a third-party independent fair market valuation. The total cash compensation for employees (i.e., a base salary not to exceed the 50th percentile, bonus and/or productivity compensation) has been determined to be fair market value and commercially

reasonable for the services provided. Appendix 1 further sets forth a total cash compensation maximum cap that will not exceed the 75th percentile (or 90th percentile when factors such as shortages or otherwise hard-to-fill positions justify).

The Annual wRVU Threshold, wRVU compensation rate and maximum cap will be calculated by using a blended average median work RVU data from annual surveys for national respondents conducted by nationally-recognized healthcare valuation specialists (e.g., AMGA, Gallagher, MGMA and SullivanCotter) in the applicable practice specialty. This production incentive payment will be paid quarterly, after the Annual wRVU Threshold has been met (which may be pro-rated based on an employee's entry into this compensation plan). Unless modified by the provisions of this compensation and benefits plan, employees will be granted the same benefits provided through the Human Resources Policies and Procedures Manual.

The Annual wRVU Threshold and wRVU compensation rates shall be re-evaluated on a bi-annual basis consistent with the methodology set forth above.

Productivity Compensation:

After such time as the Annual wRVU Threshold has been met, Provider will receive certain productivity compensation for personally-performed wRVU above the Annual wRVU Threshold, subject to the applicable maximum. Productivity compensation shall be paid quarterly, in the subsequent month following the quarterly calculation and then in accordance with the customary payroll practices of UMC. Appendix 1 sets forth the rate for the wRVU productivity compensation amount that will be paid above the Annual wRVU Threshold. All terms and conditions of the Provider's employment contract shall apply with respect to productivity compensation, including but not limited to terms related to Provider's failure to meet their Annual wRVU Threshold. Providers must be employed at the time of payout to receive his/her bonus.

Appeal: Any employee who has a dispute regarding their productivity compensation may forward in writing an appeal within thirty (30) days from receipt and/or determination of said compensation to the Practice Plan Administrator, or their designee. The appeal will be reviewed by the Chief Operating Officer and a recommendation presented to the Chief Human Resources Officer. The decision of the Chief Human Resources Officer is final.

Annual Quality Incentive Bonus:

Quality metrics are established and set forth in the Provider's employment agreement. Physicians can earn up to \$20,000 annually as a quality bonus incentive. Nurse practitioners and physician assistants can earn up to \$10,000 annually for a quality incentive bonus.

On-Call Restricted Coverage:

Applicable Physicians who provide on-call restricted coverage to the Hospital and/or its Level 1 trauma center, may receive additional shift compensation over and above a pre-determined amount consistent with the employee's contract for employment.

On-Call Unrestricted Coverage:

Applicable Physicians who provide on-call unrestricted coverage may receive additional shift compensation as set forth by the employee's contract for employment.

Extra Shift Compensation:

In the event an employee works in excess of their regular and on-call shifts he or she shall be entitled to the additional shift compensation set forth in the employee's contract for employment (e.g., 15 shifts).

Per-Diem Employees:

Per-diem employees under the classification of service lines set forth on the various Appendices to this Productivity Plan, shall not receive any additional compensation over and above their hourly rate of pay set forth therein.

Annual Evaluations:

Employee performance will be evaluated on an annual basis. The annual evaluation cycle shall be based on a fiscal year (July 1 - June 30). All Productivity Plan employees shall have a common review date of September 1st unless otherwise established by the CEO. Employees under this Compensation Plan are not subject to merit or cost-of-living increases, as their compensation is subject to bi-annual (i.e., every other year) fair market value reviews consistent with the terms of this Compensation Plan and any applicable employment agreement.

Work Schedules:

All Physicians, Nurse Practitioners, and Physician Assistants are salaried, exempt employees. Work schedules are determined based on a designated Full Time Equivalent (FTE) status. Employees designated as less than a 1.0 FTE are eligible for salary and benefits prorated based on FTE status. Employees are expected to be available to work their full, designated FTE status. Each employed physician will also be provided a Clinical FTE (CFTE) status in their employment contract, which shall designate the dedicated time spent providing their professional services. The difference between a physician's CFTE status and the FTE shall be utilized on administrative and/or teaching time, and the Annual wRVU Threshold shall be prorated accordingly. Employees working 10-hour shifts under this compensation plan are expected to work a minimum of 130 additional hours through administrative/teaching time to be considered a full 1.0 FTE. Employees who are unable to meet the additional hourly requirement will be considered 0.9 FTE.

Consolidated Annual Leave (CAL) / Administrative Leave Days (ALDs):

Physicians

Physician Providers under this Compensation Plan do not accrue CAL as set forth in the hospital's Human Resources Policies and Procedures. Instead, each part-time or full-time Physician Provider under this Compensation Plan shall receive Administrative Leave Days (ALDs). Appropriate use of ALDs includes sick days and leave of absence. ALDs do not roll over year to year, may not be converted to compensation, transferred to other ineligible classifications or FTE statuses, nor are they paid out upon separation of employment. Requests to use ALDs shall be submitted to the Medical Director (or designee) over the service line.

ALDs will be awarded on a pro-rated basis upon the first year of entry into this plan. Thereafter, the employee will receive their ALD allotment each January 1st. Eligible employees under this Compensation Plan will receive ALDs as follows:

Employment Status	# of ALDs
Full-Time	15
Part-Time	pro-rata based on FTE status

An employee's ALDs may differ in accordance with employment terms in place prior to August 1, 2025. Physicians who have accrued CAL prior to participating in this Productivity Plan will retain any accrued CAL time and will be required to exhaust such time prior to use of any ALDs. CAL accrued prior to the implementation of this Productivity Plan may not be converted to compensation, nor is it paid out upon separation of employment.

Non-Physician Providers

Full and part-time Non-Physician Providers under this Productivity Plan will continue to accrue and use CAL consistent with the hospital's Human Resources Policies and Procedures.

Extended Illness Bank (EIB):

The rules governing the use of EIB leave time shall be consistent with those set forth by Human Resource Policies and Procedures.

Miscellaneous Leaves:

Miscellaneous Leaves, such as jury/court duty, military leave, bereavement leave, family leave, etc., shall be administered in accordance with Human Resources Policies and Procedures.

Group Insurance:

UMC provides medical, dental and life insurance to all employees covered by this plan. To be eligible for group insurance, an employee must occupy a regular budgeted position and work the required hours to meet the necessary qualifying periods associated with the insurance program.

Employees will have deducted each pay period an approved amount from their compensation for employee insurance, or other elected coverages. Amounts are determined by UMC and approved by the UMC Governing Board. Rules governing the application and administration of insurance benefits shall be consistent with those set forth by Human Resource Policies and Procedures.

Retirement:

Employees are covered by the Nevada Public Employees Retirement System. UMC pays the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286. Any increases in the percentage rate of the retirement contribution above the rate set forth in NRS 286.421 on May 19, 1975, shall be borne equally by UMC and the employee in the manner provided by NRS 286.421. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. Retirement contribution does not include any payment for the purchase of previous credit service on behalf of any employee.

Continuing Medical Education (CME):

CME Stipend Program

UMC will pay a \$2,500 CME stipend (Stipend), less appropriate withholdings, each calendar year in January, for a qualified employee upon the employee's execution of UMC's CME Stipend Attestation form. The Stipend is available to a UMC-employed licensed independent provider, including, but not limited to, a physician, nurse practitioner, physician assistant, CRNA, and dentist. At its sole discretion, UMC may identify other independent providers that qualify for the Stipend. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership.

Physician Core Faculty & Faculty

Employed UMC Physicians who are designated as Core Faculty or Faculty in a UMC residency program are eligible to participate in the CME reimbursement program (Reimbursement). Eligible employees will receive reimbursement of up to \$5,000, less appropriate withholdings, on a calendar-year basis, for eligible CME-related costs. Eligible employees must sign the UMC CME Reimbursement Attestation form. At its sole discretion, UMC may identify other independent providers that qualify for the Reimbursement program. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership. Physicians under the Reimbursement plan are not eligible to participate in the CME stipend plan above.

Regardless of the CME program, all training, travel, and lodging must be pre-approved by the Chief Operating Officer, Medical Director, and such other person(s) as may be required by the COO and Medical Director pursuant to the hospital's training and travel policy. If an employee is on leave of absence, or FMLA, the employee is not eligible to take CME release time.

Conflict of Interest:

Physicians are expected to comply with applicable Medicare and Medicaid and other applicable federal, state, and/or local laws and regulations, hospital policies and procedures, and Medical and Dental Staff Bylaws. In so doing, it is emphasized that each employee must refrain from using his/her position as a UMC employee to secure personal gain and/or endorse any particular product or service. This includes seeking or accepting additional employment or ownership in a business outside UMC that represents a conflict of interest as defined in the Ethical Standards Policy.

The referral of patients to individuals or practices which compete with or do not support UMC is considered a conflict of interest. However, it is understood that patients have the right to choose where to be referred upon full disclosure by the attending physician of all relevant information. All referrals must go through the UMC Referral Office, where they will be processed accordingly.

All other provisions of the conflict-of-interest policy shall be as defined and described in the Human Resources Policy and Procedures Manual titled Ethical Standards and the UMC Medical and Dental Staff Bylaws.

Professional Standards:

Quality and safe patient care and the highest professional standards are the major goals of UMC and its facilities. To that end, UMC agrees to make every reasonable effort to provide a work environment that is conducive to allow employees to maintain a professional standard of quality, safe patient care,

and patient confidentiality. Employees shall be required to conduct themselves in a professional manner at all times.

UMC is a teaching facility. To that extent, physician employees may be required to supervise or co-sign medical records for mid-level providers or residents who are in a recognized residency program, such as the UNLV School of Medicine Residency Program.

UMC shall provide interpretive services in designated exam rooms. Physician employees are required to use the interpretive services provided through UMC.

No Physician employee shall unreasonably and without good cause fail to provide care to patients. Any patient complaint received in writing shall be administered pursuant to UMC Administrative Policy, as modified from time to time. The employee shall be required to meet with the Patient Advocate and/or the Medical Director so that a response, if any, may be prepared. The affected employee shall receive a copy of any written response. If any discipline is administered, just cause standards and the appropriate sections of the Human Resources Policies and Procedures Manual shall apply.

All Physicians will follow the UMC Code of Conduct for Corporate Compliance. This includes completing a Medicare Enrollment Application – Reassignment of Medicare Benefits (CMS-855R) form.

UMC is an equal opportunity employer and will not tolerate discrimination on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity or expression, and/or genetic information in employment. In accordance with state and federal laws, the UMC Governing Board is committed to an Equal Opportunity, Affirmative Action and Sexual Harassment Policy to prohibit unlawful discrimination.

Pursuant to Nevada Revised Statutes Chapter 41, UMC will indemnify an employee whose acts or omissions are within the course and scope of their employment and will thereafter continue to cover (without cost to the employee) and provide each employee with a statement of indemnification and certificate of insurance issued by UMC, as needed as evidence of insurance coverage provided for all employees under the hospital's self-funded insurance policy. As such, each employee is covered for professional liability and general liability purposes, in accordance with Chapter 41 of the Nevada Revised Statutes, by the certificate of insurance and statement of indemnification.

Such employees will be referred to as "employee" or "employees" in this document. This document replaces all previous communications regarding Physician and Non-Physician compensation and benefits under a productivity compensation model; provided, however, the terms and conditions of the employees' at-will physician employment agreement shall control in the event of a conflict between the two documents.

University Medical Center retains the rights to add, modify, or eliminate any compensation or benefit contained within this plan document with the final approval of the UMC Governing Board and/or in accordance with the terms and conditions of the employee's contract for employment.

Fair Labor Standards Act (FLSA) Exemption:

Employees covered by this plan document are not authorized overtime compensation under the FLSA due to their professional exemption.

At-Will Employment

All employees covered by this plan document are considered At-Will and will serve at the pleasure of the Chief Executive Officer.

Compensation and Benefits:

Base Salary: During the term of employment, Physicians and Non-Physician Providers shall receive a base salary at a rate consistent with the pay grades listed on Appendix 1, as may be amended from time to time. These pay grades have been assigned an Annual wRVU Threshold and a wRVU compensation rate, listed therein, which have been determined through a third-party independent fair market valuation. The total cash compensation for employees (i.e., a base salary not to exceed the 50th percentile, bonus and/or productivity compensation) has been determined to be fair market value and commercially

reasonable for the services provided. Appendix 1 further sets forth a total cash compensation maximum cap that will not exceed the 75th percentile (or 90th percentile when factors such as shortages or otherwise hard-to-fill positions justify).

The Annual wRVU Threshold, wRVU compensation rate and maximum cap will be calculated by using a blended average median work RVU data from annual surveys for national respondents conducted by nationally-recognized healthcare valuation specialists (e.g., AMGA, Gallagher, MGMA and SullivanCotter) in the applicable practice specialty. This production incentive payment will be paid quarterly, after the Annual wRVU Threshold has been met (which may be pro-rated based on an employee's entry into this compensation plan). Unless modified by the provisions of this compensation and benefits plan, employees will be granted the same benefits provided through the Human Resources Policies and Procedures Manual.

The Annual wRVU Threshold and wRVU compensation rates shall be re-evaluated on a bi-annual basis consistent with the methodology set forth above.

Productivity Compensation:

After such time as the Annual wRVU Threshold has been met, Provider will receive certain productivity compensation for personally-performed wRVU above the Annual wRVU Threshold, subject to the applicable maximum. Productivity compensation shall be paid quarterly, in the subsequent month following the quarterly calculation and then in accordance with the customary payroll practices of UMC. Appendix 1 sets forth the rate for the wRVU productivity compensation amount that will be paid above the Annual wRVU Threshold. All terms and conditions of the Provider's employment contract shall apply with respect to productivity compensation, including but not limited to terms related to Provider's failure to meet their Annual wRVU Threshold. Providers must be employed at the time of payout to receive his/her bonus.

Appeal: Any employee who has a dispute regarding their productivity compensation may forward in writing an appeal within thirty (30) days from receipt and/or determination of said compensation to the Practice Plan Administrator, or their designee. The appeal will be reviewed by the Chief Operating Officer and a recommendation presented to the Chief Human Resources Officer. The decision of the Chief Human Resources Officer is final.

Annual Quality Incentive Bonus:

Quality metrics are established and set forth in the Provider's employment agreement. Physicians can earn up to \$20,000 annually as a quality bonus incentive. Nurse practitioners and physician assistants can earn up to \$10,000 annually for a quality incentive bonus.

On-Call Restricted Coverage:

Applicable Physicians who provide on-call restricted coverage to the Hospital and/or its Level 1 trauma center, may receive additional shift compensation over and above a pre-determined amount consistent with the employee's contract for employment.

On-Call Unrestricted Coverage:

Applicable Physicians who provide on-call unrestricted coverage may receive additional shift compensation as set forth by the employee's contract for employment.

Extra Shift Compensation:

In the event an employee works in excess of their regular and on-call shifts he or she shall be entitled to the additional shift compensation set forth in the employee's contract for employment (e.g., 15 shifts).

Per-Diem Employees:

Per-diem employees under the classification of service lines set forth on the various Appendices to this Productivity Plan, shall not receive any additional compensation over and above their hourly rate of pay set forth therein.

Annual Evaluations:

Employee performance will be evaluated on an annual basis. The annual evaluation cycle shall be based on a fiscal year (July 1 - June 30). All Productivity Plan employees shall have a common review date of September 1st unless otherwise established by the CEO. Employees under this Compensation Plan are not subject to merit or cost-of-living increases, as their compensation is subject to bi-annual (i.e., every other year) fair market value reviews consistent with the terms of this Compensation Plan and any applicable employment agreement.

Work Schedules:

All Physicians, Nurse Practitioners, and Physician Assistants are salaried, exempt employees. Work schedules are determined based on a designated Full Time Equivalent (FTE) status. Employees designated as less than a 1.0 FTE are eligible for salary and benefits prorated based on FTE status. Employees are expected to be available to work their full, designated FTE status. Each employed physician will also be provided a Clinical FTE (CFTE) status in their employment contract, which shall designate the dedicated time spent providing their professional services. The difference between a physician's CFTE status and the FTE shall be utilized on administrative and/or teaching time, and the Annual wRVU Threshold shall be prorated accordingly. Employees working 10-hour shifts under this compensation plan are expected to work a minimum of 130 additional hours through administrative/teaching time to be considered a full 1.0 FTE. Employees who are unable to meet the additional hourly requirement will be considered 0.9 FTE.

Consolidated Annual Leave (CAL) / Administrative Leave Days (ALDs):

Physicians

Physician Providers under this Compensation Plan do not accrue CAL as set forth in the hospital's Human Resources Policies and Procedures. Instead, each part-time or full-time Physician Provider under this Compensation Plan shall receive Administrative Leave Days (ALDs). Appropriate use of ALDs includes sick days and leave of absence. ALDs do not roll over year to year, may not be converted to compensation, transferred to other ineligible classifications or FTE statuses, nor are they paid out upon separation of employment. Requests to use ALDs shall be submitted to the Medical Director (or designee) over the service line.

ALDs will be awarded on a pro-rated basis upon the first year of entry into this plan. Thereafter, the employee will receive their ALD allotment each January 1st. Eligible employees under this Compensation Plan will receive ALDs as follows:

Employment Status	# of ALDs
Full-Time	15
Part-Time	pro-rata based on FTE status

An employee's ALDs may differ in accordance with employment terms in place prior to August 1, 2025. Physicians who have accrued CAL prior to participating in this Productivity Plan will retain any accrued CAL time and will be required to exhaust such time prior to use of any ALDs. CAL accrued prior to the implementation of this Productivity Plan may not be converted to compensation, nor is it paid out upon separation of employment.

Non-Physician Providers

Full and part-time Non-Physician Providers under this Productivity Plan will continue to accrue and use CAL consistent with the hospital's Human Resources Policies and Procedures.

Extended Illness Bank (EIB):

The rules governing the use of EIB leave time shall be consistent with those set forth by Human Resource Policies and Procedures.

Miscellaneous Leaves:

Miscellaneous Leaves, such as jury/court duty, military leave, bereavement leave, family leave, etc., shall be administered in accordance with Human Resources Policies and Procedures.

Group Insurance:

UMC provides medical, dental and life insurance to all employees covered by this plan. To be eligible for group insurance, an employee must occupy a regular budgeted position and work the required hours to meet the necessary qualifying periods associated with the insurance program.

Employees will have deducted each pay period an approved amount from their compensation for employee insurance, or other elected coverages. Amounts are determined by UMC and approved by the UMC Governing Board. Rules governing the application and administration of insurance benefits shall be consistent with those set forth by Human Resource Policies and Procedures.

Retirement:

Employees are covered by the Nevada Public Employees Retirement System. UMC pays the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286. Any increases in the percentage rate of the retirement contribution above the rate set forth in NRS 286.421 on May 19, 1975, shall be borne equally by UMC and the employee in the manner provided by NRS 286.421. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. Retirement contribution does not include any payment for the purchase of previous credit service on behalf of any employee.

Continuing Medical Education (CME):

CME Stipend Program

UMC will pay a \$2,500 CME stipend (Stipend), less appropriate withholdings, each calendar year in January, for a qualified employee upon the employee's execution of UMC's CME Stipend Attestation form. The Stipend is available to a UMC-employed licensed independent provider, including, but not limited to, a physician, nurse practitioner, physician assistant, CRNA, and dentist. At its sole discretion, UMC may identify other independent providers that qualify for the Stipend. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership.

Physician Core Faculty & Faculty

Employed UMC Physicians who are designated as Core Faculty or Faculty in a UMC residency program are eligible to participate in the CME reimbursement program (Reimbursement). Eligible employees will receive reimbursement of up to \$5,000, less appropriate withholdings, on a calendar-year basis, for eligible CME-related costs. Eligible employees must sign the UMC CME Reimbursement Attestation form. At its sole discretion, UMC may identify other independent providers that qualify for the Reimbursement program. Qualified employees may also request up to 40 hours of paid release time each calendar year to attend CME related activities. Approval of such time is at the sole discretion of UMC leadership. Physicians under the Reimbursement plan are not eligible to participate in the CME stipend plan above.

Regardless of the CME program, all training, travel, and lodging must be pre-approved by the Chief Operating Officer, Medical Director, and such other person(s) as may be required by the COO and Medical Director pursuant to the hospital's training and travel policy. If an employee is on leave of absence, or FMLA, the employee is not eligible to take CME release time.

Conflict of Interest:

Physicians are expected to comply with applicable Medicare and Medicaid and other applicable federal, state, and/or local laws and regulations, hospital policies and procedures, and Medical and Dental Staff Bylaws. In so doing, it is emphasized that each employee must refrain from using his/her position as a UMC employee to secure personal gain and/or endorse any particular product or service. This includes seeking or accepting additional employment or ownership in a business outside UMC that represents a conflict of interest as defined in the Ethical Standards Policy.

The referral of patients to individuals or practices which compete with or do not support UMC is considered a conflict of interest. However, it is understood that patients have the right to choose where to be referred upon full disclosure by the attending physician of all relevant information. All referrals must go through the UMC Referral Office, where they will be processed accordingly.

All other provisions of the conflict-of-interest policy shall be as defined and described in the Human Resources Policy and Procedures Manual titled Ethical Standards and the UMC Medical and Dental Staff Bylaws.
